# Les on the Line

The standard of today's opposition doesn't need explaining - one look at the league table will do.

Nor does the importance of the game need stressing, especially in the light of events down in Devon on Tuesday.

Our current position is far from healthy and we need to make the most of the fact that eight of our remaining fixtures are here at Deepdale.

Away results have been very disappointing, the main reason why we find ourselves struggling at the wrong end of the table. We have a battle on our hands in the last few weeks of the season and this afternoon is where we must start to put things right.

Injuries over the past months have not helped matters and we now have the burden of a couple of suspensions to key first team players.

There can be no excuse for getting the red card in the cases of Ronnie Jepson and Steve Senior.

To lose key players for key matches is a problem we could well do without.

Brentford have had a great season thus far and they are a strong powerful side - one of the biggest (physically) in the division. We must match their power and compete hard in every challenge.

Points are absolutely vital from now on in - we are fighting for our lives.

The Football League has awarded us a £10,000 grant as part of the national Jewson Family Football initiative . . . and that is really great news.

The money will be spent on upgrading facilities under the West Stand for members of the Junior Whites.

The application to the Jewson scheme was arranged by Paul Agnew, our General Manager (Commercial), who reports:

"This is the first time Preston North End has won an award of this type and we are one of just eight third division clubs to benefit in the 1992 selections".

"Our plans to develop the area under the West Stand will include new toilets and a refreshment block. From next season the facilities available to our Junior Whites will be significantly improved.

"After the success of our Pick-Me-Up scheme, launched this season, this is just another step towards fostering and developing family involvement in Deepdale".

Overall the Jewson package is worth a total of £350,000 to clubs throughout the Football League. The money, which must be spent on

developing family enclosures and areas, forms part of Jewson's £1.2 million Family Initiative Scheme, which was launched last year.

The winning clubs - AFC Bournemouth, Chester City, Hull City, Leyton Orient, Preston North End, Reading, Peterborough United and West Bromwich Albion - were selected by a special committee chaired by Football League Chief Executive, Arthur Sandford. The panel of judges also included Kate Hoey (M.P., Vauxhall), Peter Lee (The Football Trust) and Tony Kershaw (National Federation of Football Supporters Clubs).

Commenting on the awards, Mr. Sandford said: "All the applications demonstrated the tremendous efforts being made by clubs throughout The League to encourage family groups and younger fans to come and watch football. Several commendable applications could not receive awards this year in view of the intense competition. Jewson are to be commended for their excellent initiative which will help clubs improve further the range of facilities that they can offer to this rapidly growing audience."

## BRENTFORD PEN PICTURES by Frank Coumbe

**GRAHAM BENSTEAD:** Goalkeeper. Previously played for Queens Park Rangers, Norwich, Colchester (on loan) and Sheffield United. Cost Brentford £70,000 in the 1990 close season and had an excellent first year winning all the club Play of the Year awards in 1990/91. Missed two months of this season through injury.

**ASHLEY BAYES**: Goalkeeper. Nineteen year old understudy to Benstead with two League and five cup appearances to his credit.

**JAMIE BATES**: Centre Back. Excellent understudy to Millen and Evans for the last few years in central defence. Has also played at right back, left back and in midfield and 1990/91 was his best season to date although he has played better still this year. Has made in excess of 150 first team appearances for the club.

**SIMON LINE**: Right Back. Signed on a free transfer towards the end of last season from Crystal Palace. Made his only first team appearance as a substitute against Barnet in the Rumbelows Cup.

**BILLY MANUEL**: Left Back. Close season signing from Gillingham for £60,000. Started his career at Tottenham but failed to break into their first team. Has recently played in midfield.

**KEITH MILLEN:** Centre Back. Although only 25 he has been a regular at the heart of the Brentford defence for seven years and is the club's longest serving player. Has made over 250 League appearances and played for the Bees at Wembley in 1985 in the Freight Rover Trophy Final.

**TERRY EVANS:** Centre Half. Giant defender now beginning his seventh season at Griffin Park since joining the club from Hillingdon. Missed well over a year due to injury early in his career but is now firmly established as Brentford's number five. Dangerous going forward for set pieces. Team Captain.

**SIMON RATCLIFFE**: Midfield. Began with Manchester United before joining Norwich for £40,000. Signed for Brentford in January 1989 for £100,000, the first six figure fee the club had ever paid. Started at Brentford as a midfielder before establishing himself at right back last season. Reverted back to midfield this season.

**WILF ROSTRON:** Midfield. Joined Brentford in January 1991 as player/assistant manager after extensive experience with Arsenal, Sunderland, Watford, Sheffield Wednesday and Sheffield United. Was injured at Leyton Orient last December and is unlikely to play again this season.

**PAUL BUCKLE**: Midfield. 1990/91 saw Paul break through into the first team as a fairly regular member of the side although opportunities have been more limited this season. Busy central midfielder who is a product of the Club's youth system.

**BOB BOOKER**: Midfield: Extremely versatile player who spent ten years at Brentford before joining Sheffield United on a free transfer. Was an integral part of their team as they rose from the Third Division to the First in successive seasons. Returned to Brentford last November. Has made over 350 League appearances and scored over 50 League goals in his career to date. Wore every shirt number and played in every position (apart from goalkeeper) in his first spell at Griffin Park.

**NEIL SMILLIE**: Winger. Talented wide man who can play on either flank. Previously played for Crystal Palace, Brighton, Watford and Reading before joining Brentford in the summer of 1988, although he did play three games on loan to the club in 1977. Won a Simod Cup Winners medal while with Reading and an FA Cup Runners-Up medal while with Brighton. Is having another fine season for the Bees.

**ROB PETERS**: Winger. Former junior who spent much of last season on loan to St.Albans City. Converted to a winger having previously played at full back.

**KEVIN GODFREY**: Forward. An experienced performer now in his fourth season at Griffin Park following over ten years at Orient and a loan spell at Plymouth. Has made in excess of 350 League appearances and has scored over 90 First Team goals in his career to date. Can operate as a central striker or on the wing although he's impressed this season in a central midfield role. Scored in last season's game at Deepdale.

**MARCUS GAYLE:** Winger. This six footer was probably the most improved player on the staff last season turning in a number of dazzling performances on the left wing. Another player to come through the ranks, he has made over 50 League appearances.

**ANDY DRISCOLL:** Winger. Former junior who had an impressive run in the first team at the end of 1989/90 season but missed all of last term due to injury. Returned to Football League action in February.

**DEAN HOLDSWORTH**: Striker. Started with Watford but had loan spells with Carlisle, Port Vale, Swansea and Brentford. Joined Brentford on a permanent basis for £125,000 in September 1989 and had a brilliant first season scoring 24 league goals in 39 appearances (1989/90). Found things more difficult last season, missing a number of games through injury, and scored just five league goals. Has returned to goalscoring form this season. Is the twin brother of Watford's David.

**GARY BLISSETT**: Striker. Joined Brentford in March 1987 from Crewe Alexandra for £60,000. Skillful striker who was top scorer with ten league goals last season, despite missing nearly half the season through injury. Best known for his goal scoring in cup ties scoring twice against both Manchester City and Blackburn Rovers in Brentford's 1988/89 FA Cup run. Has scored over 100 first team goals in his career.

**TONY SEALY**: Striker. Experienced striker in his second spell with Brentford. Has also played for Southampton, Fulham (3 spells), Port Vale (2 spells) Leicester, Bournemouth and Bristol Rovers.

**LEE LUSCOMBE:** Winger. Joined Brentford from Southampton this season and scored within four minutes of his first team debut in the Autoglass Trophy against Barnet in December, one of the quickest ever debut goals for the Bees.

## BRENTFORD THE SEASON SO FAR BY FRANK COUMBE

Last season Brentford finished sixth in Division Three, thus qualifying for the play offs. They were eliminated by Tranmere Rovers and are now in their fourteenth consecutive season in the Third, the Division's longest serving members.

During the summer they released five members of their squad while the only newcomer was Billy Manuel from Gillingham.

They started the season with a 4-3 win over Leyton Orient, Dean Holdsworth scoring a hat-trick, and followed up with a win at Exeter to be in second place with maximum points. Three straight defeats saw Brentford tumble down the table but a run of six consecutive victories over Reading (1-0), Hull City (4-1), Darlington (2-1), Bolton Wanderers (3-2), Fulham (1-0) and Peterborough United (2-1) saw the Bees rise up the table and going top after the Fulham victory. A home reverse by West Bromwich Albion was followed by two fine away wins at Bury (3-0) and Bradford City (1-0) before an exciting 2-2 home draw against Birmingham.

Brentford went back to the top of the table on 9th November and apart from one four day spell, remained there for the next three months. This was maintained largely due to winning six consecutive home games against Wigan Athletic (4-0), Swansea Town (3-2), Exeter City (3-0), Hartlepool United(1-0), Stoke City (2-0) and Preston North End (1-0) when skipper Terry Evans headed home the winner. In the same period they picked up just three points, in draws at Bournemouth, Torquay United and Chester, from seven away games losing at Huddersfield Town (1-2), Leyton Orient (2-4), Stockport County (1-2) and West Bromwich Albion (0-2).

Brentford dropped to third place when they surprisingly lost 0-3 at home to Bury in a game where the corner count was 19-0 in Brentford's favour. They followed this up with a 1-1 draw at Swansea City but returned to the top of the table after a far from convincing 3-2 home win over Torquay where Jamie Bates hit home the winner from thirty five yards. Brentford slipped back to second place a fortnight ago after a 2-1 defeat at Stoke City, thus extending their run to nine away games without a victory.

These notes were written before Brentford's home games against Stockport County (last Saturday) and Chester (last Tuesday).

Changes on the player front since the season started are: Keith Jones to Southend for a Tribunal determined £175,000 fee and Richard Cadette to Falkirk for £50,000.

Through the "In" Door have come vastly experienced striker Tony Sealy on his return to this country from Finland, Lee Luscombe from Southampton, Bob Booker from Sheffield United and former Crystal Palace, Blackburn Rovers and Swindon Town midfielder Tony Finnigan on a non-contract basis. At the time of writing Brentford are negotiating to buy Tottenham Hotspur right back Brian Statham who has spent a month on loan to the Bees.

Despite Brentford's recent indifferent run it would be a surprise if the club didn't at least make the Play Offs although, it is promotion to Division Two that the loyal long standing supporters want by finishing in the top two.

Ronnie's ban, caused by his sending off against Shrewsbury Town means him sitting out today's game with Brentford and Tuesday's trip to Wigan Athletic. ## TRANSFER DEADLINE APPROACHES

The deadline for Football League clubs to register new players for the current campaign is 5.00 p.m. on Thursday 26th March. Players registered after this date will only be eligible to play in League matches for which permission is granted by The Management Committee. The Management Committee normally allows such players to appear only in matches which do not have a bearing on promotion or relegation issues. Featuring in any of the League's three knock-out competitions would also be excluded.

The Football League has written to all clubs to remind them of the regulation and has advised them to ensure that they have sufficient number of goalkeepers registered prior to the deadline, as dispensation will not be given to clubs to sign and play goalkeepers after this date.

## STEWARDS IN CHARGE

The value of a Safety Officer and well trained team of matchday stewards was clearly demonstrated at Plainmoor, where for Torquay United's Third Division game against Darlington, there was not one policeman in sight.

Following discussions with both the Local Authority Safety Committee and Police, it was decided that Saturday's game offered a suitable occasion to assess how club stewards would cope without the presence of police officers. It is pleasing to report that the exercise was considered a success by all involved parties.

The experiment formed part of an ongoing joint initiative in the area to minimise the number of police officers on duty at the ground and it is intended to repeat the exercise at other low key matches in the future.

## HANKIN TAKES CHARGE AT FEETHAMS

Third Division Darlington have appointed Ray Hankin as manager after parting company with Frank Gray. The former striker, whose playing career was spent at Burnley, Leeds United, Arsenal, Middlesbrough, Peterborough United and Wolves, takes charge initially until the end of the season.

## SWANS OLDEST FAN PREFERS TO STAND

With the requirements of The Taylor Report threatening to impose all-seater stadia on reluctant supporters, Third Division Swansea City have discovered that they have possibly the oldest terrace fan in the entire Football League.

Myra Johns, who will be 90 next month, still prefers to watch matches from the Vetch Field North Bank terrace so she can savour the atmosphere and excitement which is unique to standing supporters. And she attends every Swans home game despite having to make the 120 mile round trip from where she lives in Haverfordwest.

# Reserve Round Up

Due to the late cancellation of the Reserves game at Derby (18/2/92) - the much improving Reserve side fixture list had a very unusual look about it, five consecutive weekly home fixtures.

Preston North End after drawing 2-2 in the first of the five fixtures (v Notts. County 12/2/92) welcomed visitors Oldham Athletic Reserves to Deepdale hoping for a good result to improve their 12th position in the league table.

**PONTINS LEAGUE - DIVISION TWO - GAME No. 23**
**PRESTON NORTH END RESERVES (1) 1 OLDHAM ATHLETIC RESERVES (1) 1**

Greenwood - 1st Min. Graham 2nd Min.

Played at Deepdale - Tuesday, 25th February, 1992

Anyone of the 190 people in attendance who missed the kick-off would most likely to have also missed the only goals of the game, for only two minutes had been played, when the final score had been settled at one goal each. Preston North End were the first to score within the first minute. Probably the fastest goal the Reserves have scored at Deepdale for many a season, in their first attack a run by James down the left wing resulting in him gaining a corner which he took himself, the ball being lifted into the goal area only to be cleared by an Oldham defender but only as far as Kerfoot standing on the edge of the goal area, who drilled a low hard shot towards the goal, the ball taking a deflection off Greenwood spun to the 'Keeper's left- who diving in despair failed to stop it entering the net.

The joy changed within one minute to disbelief when Oldham Athletic's No.11 Graham's shot from outside of the box brought about a gifted equaliser.

Although that was the end of the game goal-wise it did not allow the game to be devalued. A hard mid-field battle evolved, Oldham Athletic using 40 year old player-coach Donnachie as a sweeper behind a back four whose full-backs pushed forward into mid-field at every opportunity - where Preston North End's Kerfoot returning from injury had one of his best games for a long time, doing battle with Oldham Athletic's £800,000 close season signing from Everton Milligan.

They both received a booking, Milligan on 40 minutes for elbowing, James and Kerfoot for a hard challenge on Milligan after 73 minutes.

Not an aggressive game by any-means, with Preston North End just about coming out the better side on the night - two goal deserved efforts - Jepson's header (62nd min.) and Eaves shot (81st Min.) both being kicked off the line, although Keeper Farnworth saved their 'points' with two good stops in the last minute of the game.

**TEAMS**: Preston North End Res: Farnworth, Siddall, Bennett, Swann, Eaves, Lambert (Capt), Thompson, Kerfoot, Jepson, Greenwood, James - Subs Not Used: Finney and Critchley.

Oldham Athletic Res: Gerrard, Wilson, Makin, Donnachie, Miller, Hesseltine, Adams, Rickers, Kenton, Milligan (Capt) Graham Subs Not Used: Everingham and Jones

# Refreshing the Memory with Mike Payne

By way of a change I thought I would go back a few more years than usual for my article today. You see, Brentford's Football League history only goes back to the 1920-21 season when they became founder members of the Old Division Three South. It was not until the 1932-3 season that they won promotion to the Second Division for the first time thus bringing them their first meetings with Preston North End the following season.

In fact the 1933-4 season was successful for both sides as Preston North End finished as runners-up to Grimsby and Brentford finished fourth. Our fixtures against Brentford were played on Christmas Day and Boxing Day that year and the result at Griffin Park was 3-2 to the home side, whilst the next day we were able to reverse the result wining 3-2 at Deepdale. The home attendance was a massive 24,451 and was the best of that season here.

Obviously the person who compiled the fixture in those days must have liked the idea of our clubs meeting at Christmas because two years later, after Brentford had also won promotion to Division One, the two dates were repeated. This time though the Londoners certainly had a happy festive season. They won 5-2 at home and then 4-2 here on Boxing Day. The following year, 1936-7, the two sides met at Easter (makes a change!) On the 26th March it was 1-1 at Brentford and three days later the score was repeated here.

In the 1937-8 season we met Brentford three times, twice in September in the league, 1-2 at Brentford and 1-1 here before that tremendous occasion on March 5th 1938 when we played a fifth round FA Cup tie at Griffin Park. The attendance for that game is still the record for the ground and will almost certainly remain so. 39,626 people watched a great Preston North End win and goals by Bobby Beattie 2, and Hugh O'Donnell took us through to the sixth round and ultimately on to a Wembley triumph over Huddersfield Town.

1938-9 and 1946-7 saw a further Division One clashes between the clubs and then 1949-50 and 1950-1 saw us meet in Division Two. The game in London on 17th February 1951 was won 4-2 with Tom Finney scoring twice and playing a superb game which is still fondly remembered today by the Griffin Park senior supporters. Sadly that was the last time the clubs met for thirty years as various promotions and relegations meant that our paths did not cross again until the 5th of December 1981 at Deepdale. We have since had many games against each other, all, funnily enough, in the Third Division, with Brentford definitely having the edge result wise.

I would like to leave you with a few personal memories of my visits to the friendly atmosphere of Griffin Park. One was from a game played in October 1988. At half-time it was scoreless but after the break manager John McGrath brought on Gary Brazil as a substitute and the popular (until the other day that is!) striker gave as good a display as one could wish for from a substitute. I don't think I have ever seen a substitute make such an impact as he scored two fine goals in a 2-0 victory.

Another happy memory came on the 20th of March 1990. As is the norm at away games Preston North End had to endure a lot of pressure early on and Brentford quickly went 2-0 up. I had visions of a drubbing but a defensive error just before half-time let in Warren Joyce to pull one back and then after the interval Preston North End gave as good as they got. Unfortunately the equaliser looked unlikely until in virtually the last minute Neil Williams joined an attack and hit a screamer into the top corner. I think I jumped further than Carl Lewis that night!

One last thought. Do your remember the game here on the 4th of March 1989? It was a sizzler. Goals galore, thrills galore and enough incident to write a book. A second minute goal from Tony Philliskirk put us into the lead and set the pattern. Brentford hit back and Simon Ratcliffe headed an equaliser before Jamie Bates put them ahead on 17 minutes after Allan Cockra,m's shot had hit the bar. Roger Stanilaus handled a goal-bound Neil Williams shot and Mark Patterson lashed home the penalty. 2-2 at the break and everything to play for. A minute after the restart it was 3-2 to the classy visitors! A great strike by Kevin Godfrey curled round Roy Tunks and the Preston North End fans were stunned.

**Mr. ENTHUSIASM! — WARREN JOYCE 2 goal hero for P.N.E. v. BRENTFORD in 1989!**

But that was not the end and fate took a hand when Warren Joyce had to come on for the injured Philliskirk. He made an immediate impact being first booked for a foul and then scoring a wonderful goal to bring the sides level again. Six minutes later Deepdale erupted when Tony Ellis picked up the pieces of a another great move to put Preston North End ahead. Then in the dying seconds Joyce put the result beyond doubt with another fine goal to end some fabulous entertainment. More of the same today please.

# On this day ..

**MARCH 7th**

The following is a selection of fixtures played by Preston North End on this date in years gone by:

1885 Home vs Accrington (Friendly) won 4-1
1891 Away vs Burnley (League) lost 2-6
1908 Home vs Bury (League) won 3-1
1925 Away vs Newcastle United (League) lost 1-3
1930 Away vs Barnsley (League) drew 1-1
1953 Away vs Manchester United (League) lost 2-5
1959 Away vs Newcastle United (League) won 2-1
1964 Away vs Scunthorpe United (League) lost 0-1
1978 Away vs Swindon Town (League) won 2-0
1981 Home vs Leyton Orient (League) won 3-0

The largest crowd to see us play on March 7th was back in 1953 when 54,397 saw us lose to Manchester United by 5-2. This result coupled with a 0-5 defeat in the Deepdale clash cost Preston North End the First Division Championship as we lost out to Arsenal on goal difference at the end of the season. If we had only lost them by 1-0 it would have made all the difference.

The 1891 league game at Burnley was the first time Preston North End had let in six goals in a league match. It was a shock result at the time as Preston North End had just beaten them 7-0 the previous month.

On this date in 1989 Preston North End took on a North West All Stars Eleven in the Mick Baxter Memorial Game. Over 10,000 saw the All Stars win 4-1.

# Football Beat

Welcome to all our visitors from Brentford from the lofty heights of the top of Division Three. I haven't seen the television footage of the problems at the recent Birmingham City and Stoke City Match but I've spoken to many people who have. Why do these people do these things? Answers on a postcard please!

This sort of incident tends to provoke responses from all sorts of quarters. The Football League will, undoubtedly, have their say. In the past, invasions of the pitch have prompted the erection of perimeter fences. There were fences at Birmingham. Did they prevent something worse or did they not help? One thing is for certain, the invasion itself will have strengthened the case of anyone arguing for the fencing to be retained or even erected if it's been taken down since Hillsborough. Unfortunately, the demolition of the perimeter fencing at Preston North End was the plea made by most letter writers to Brian Ellis at the Evening Post. The subject is not closed but if any fencing were to be removed it would be that in front of the Kop terracing. The fencing at the Town End and Pavilion paddock have already proved to be invaluable as a preventative measure at the Sheffield Wednesday match.

You might also recall my recent article about the rescheduling of the Birmingham fixture. It has been moved to the Tuesday night after the Easter Monday Bank Holiday. It has been moved so the police will be in a better position to guarantee public safety. Who would argue with us now? It was a salutary lesson to me when many opinions aired last Saturday blamed the police. There are many people giving the police advice on how to do it and how not to do it. Those people are extremely scarce when it comes to the day of reckoning, and fingers being pointed!

I don't think the police are overly worried about 'blame' but, in my deliberations, I do err on the side of ensuring public safety. I sometimes wonder what percentage of the crowd read this article. I hope a lot do. However, I would hope it sometimes promotes lively debate both at half time and at the pub afterwards. If I look lost and forlorn on the perimeter track then invite me up and we can discuss it there and then.

Now and again we unearth a real gem, and today's featured item, a pre-war single page team sheet, comes into that category.

Although the sheet mentions that the game was for charity it does not actually state which one was to benefit. Further investigation found out that the game was in aid of the local Unemployed Sports Club Fund.

This end of season game ended up all square at 3-3 giving the crowd good value for money. Preston North End's scorers were Bob Kelly, Ted Harper and Dick Rowley with John Mustard, Alex James and Norman Robson scoring for the Ex- Preston North End eleven. The two teams lined up as per team sheet with Billy Hough substituting for Frank Ward during the game.

EX-NORTH END PLAYERS

(COLOURS : BLUE SHIRTS, WHITE KNICKERS)

REFEREE : W. F. BUNNELL (Preston)

LINESMEN :

Red Stripe : J. H. HARGREAVES — Blue Stripe : H. W. HUNT

Note the numbering of the players 1-22 which was normal practice on pre-war programmes. The match organisers did well to bring such talent together as they were well spread around the country. Frank Moss (later to be capped by England) was with Alex James at Arsenal, Ken Cameron had left Preston North End for Middlesbrough, Mustard was at Burnley, Edward Owens at Crystal Palace, Ward at Southampton, Robson at Derby County, Jim McClelland had gone to Blackpool as had Bobby Crawford and Alex Reid while Joe Craven had gone on from Preston North End to Swansea, Port Vale, Newport and Accrington.

I wonder if Jimmy Milne can recollect this game being staged?
